The students have continued to work well this term. Our new little people are settling into the school routine and being offered a lot of structured play opportunities to support their learning and transition. Play is valuable for learning as students develop co-operation and sharing. These opportunities provide a meaningful context for children to learn concepts and skills. This week we have welcomed Charlotte Steward and her family to our school. Charlotte’s family have moved to Edithburgh to run the Garage Diner. Charlotte has connected to new friends at Edithburgh who have enjoyed sharing time with her both at and after school.

The Acquaintance night was once again a success. Thank you goes to those who helped with the BBQ and providing salads and drinks. Parents were provided with a term overview as well as a guide on classroom routines and expectations for the year. If you did not receive a copy of them please contact the school.

VISITING MORNING & ASSEMBLY

We invite parents to visit the school on Friday 27th February between 9am and 10.30am. This will give you the opportunity to discuss your child’s learning with them as well as what they have done so far this year.

An assembly will be held on Friday 13th March starting at 2.30pm. We look forward to seeing parents on both these occasions.
